Re: Notice of Oral *Ex Parte* Presentation
PS Docket No. 06-229

Dear Ms. Dortch:

On March 22, 2011, representatives from the State of Texas, Harris County, Texas, and Motorola Solutions, Inc. ("MSI") spoke with members of the Public Safety and Homeland Security Bureau ("PSHSB") about the State's pending waiver request to deploy a public safety broadband network in the 700 MHz band.¹ The discussions focused on contractual provisions between MSI and Harris County, Texas, that are designed to ensure compliance with all FCC-imposed baseline performance and interoperability requirements.

Please contact the undersigned if there are any questions with this filing.

Sincerely,

/s/ Michael A. Lewis
